

Valet Tub Vac

Compact and lightweight tub vacuum that has excellent manoeuvrability ideal for use in healthcare, education and office facilities.

- 4 stage filtration including HEPA 10 filter that provides a high filtration of all particles of 0.3 microns and larger.
- Light and manoeuvrable ideal for transporting between cleaning jobs.
- Powerful 1400 W motor that gives exceptional cleaning power.
- 5 litre dust capacity
- Built in cable rewind prevents tangling and prolongs cable life.
- Full bag indicator light notifies the user when the bag needs replacing or there is a blockage preventing any damage to the motor.
